

**COMPANY REPORT - Q2 2024**  
**MAY 14, 2024**

**Summary:**

This is the second official company report for The Dark Titan Company.

This report details development results from Q1 2024 and ongoing developments within the company across its three divisions.

The company continues to grow as more opportunities come forward to spread the company and its IPs out into a better capacity across various mediums of entertainment, licensing, and business.

**Q1 2024 Summary**

- Dark Titan Publishing had its first 2024 releases this past March with *SymboluM Venatores* and *The Heroes' Path*. *SymboluM Venatores* was the final prose project from the *SymboluM Venatores* IP.
- More episodes were released from the *Dark Titan Universe Character Bios* and *Planets of the Starspace* video series from Dark Titan Digital Studios.
- The Conquest Project released its blog-series, *Creative Warfare*. A 13-Chapter series focused on self-development, creativity, and storytelling.
- *Massacre in the Dusk* TV Limited-Series entered the writing process for its four episodes.
- The video series from Dark Titan Digital Studios are being released exclusively on X/Twitter and on the Dark Titan Entertainment website.

## Outlook for Q2 2024 and Beyond:

### ***DARK TITAN ENTERTAINMENT - DIVISION 1***

#### **Dark Titan Digital Studios**

- More episodes are in production for the *Dark Titan Universe Character Bios*, *Planets of the Stellarspace*, *Symbolum Venatores: Lore Guide*, and *The Haunted City 101*. Set to release this Summer and into the Fall.

#### **Dark Titan Interactive**

- *Dark Titan's Ninja Warrior Onslaught* is reaching the final stage of development for an early Fall release across iOS and Android devices. The game's marketing plan is scheduled to begin this Summer.
- Licensing continues to be in the process across the gaming industry with *Dark Titan Universe*, *Travis Vail Spirit-Seeker*, and *EverWar Universe* up for license availability. *Dark Titan's Ninja Warrior* IP will be up for licensing upon the release of the mobile game.

#### **Dark Titan Television**

- Writing for the upcoming *Massacre in the Dusk* limited TV series is finished. The teleplays are prepared and the process is ongoing for studio partnership.
- More TV series are also in the developmental stage. Including *Instincts*, *Yeager & Knight*, *Frightened!*, and *The Warslinger*.
- *The Warslinger* will be a live-action TV series which will act as a soft reboot to *The Haunted City Saga* prose novels (*The Legendary Warslinger* and *Redemption of the Lost*).

#### **Dark Titan Animation**

- *Dark Titan Universe* IP has three animated projects in the works (*Travis Vail: Call of Shadows*, *Vamprevil Ascension*, and *Dark Titan Universe Chronicles*).
- *The Horde: Ancient Rome* will be an animated project set within the world of *Dark Titan's The Horde*.
- *Old Camelot* and *Mega City*, both animated series set in the world of *The Haunted City* are still in the works. Expanding the transmedia-storytelling of the IP.

- *Kaze, The Lone Samurai* will be an anime limited-series of 10 standalone short stories.
- *Dark Titan's The Sacred Swords, Dark Titan's Vigils, and Behind The Dragon's Door* will each have animated projects within their respective transmedia projects (*The Swordbearer Arc, Mechas vs. Elementals Arc, and The Decade Saga*)
- *1944* is an animated limited-series set in the world of *Dark Titan's Island of the Dead*. The story takes place during the latter times of World War 2.
- An animated film is in the works following Einar The Hunter and Gyda The Huntress during their Viking adventures into Scotland.
- *Dark Titan's Soulhunters: The Dark Magicks* has been moved from a graphic novel to a 10-part animated miniseries.
- *Dark Titan's The Dead Days: Brand New Day* has been moved from being a prose novel to an animated project. Series, miniseries, or limited TBD.

### **Dark Titan Studios**

- The *Chevah Mythos* IP will return with a live-action film of *The Eleventh Hour*. A rewrite is in development.
- *Dark Titan's Vigils* and *Behind The Dragon's Door* are set to include live-action films within their transmedia projects under the *Trinal Epics* label.

### **IP Developments**

- The *Dark Titan Universe* IP and *Dark Titan's The Haunted City* IP are both undergoing soft reboots for their next projects.
- The *Symbolum Venatores* IP will continue Einar and Gyda's Viking hunter adventures under the new arc, *The Saga of Einar & Gyda*. More arc projects such as this will continue for this IP. (ex. *Gabriel Kane Saga*)
- *Dark Titan's The Sacred Swords, Dark Titan's Vigils, and Behind The Dragon's Door* will begin their transmedia projects in the coming years under the new label, *Trinal Epics*.

## **THE CONQUEST PROJECT - DIVISION 2**

- *Trials of the Conquest*, the first official podcast of The Conquest Project is being developed and will release sometime this Summer with a total of 13 episodes.
- *Creative Warfare*, the non-fiction book has been moved from Dark Titan Publishing to The Conquest Project for a physical release in Q1 2025.
- More apparel/merchandise will release throughout the Summer, Fall, and Winter months.

## **DARK TITAN IMAGINATIONS AND PRODUCTS - DIVISION 3**

### **Dark Titan Publishing**

- The 2024 Fall release slate will begin this November with the releases of *Atlas of the Stellarspace*, *Lands of the Stellarspace*, and *Dynasty Wars*. and *The Heroes' Path*. *Dynasty Wars* will conclude the *Dark Titan Universe Saga* series, making the move toward the upcoming reboot of the IP.
- Beginning in 2025, the publishing subsidiary will no longer release prose content and will be moving forward to release graphic novels, comic books, manga, encyclopedia, lorebooks, artbooks, and reference books. The Publishing subsidiary will be focused on transmedia-storytelling projects.
- *The Haunted City: The Blood Coven*, the upcoming 5-part comic book series set in the worlds of *Dark Titan's The Haunted City* will be undergoing script-writing this Fall.
- The *Symbolum Venatores* graphic novel trilogy has been officially titled, *Pathways of a Hunter* and Book 1 is titled, *The Lights in The Irish Skies*.
- The *Argoron* IP will return with a comic book one-shot story titled, *Mark Porter vs. The Giant of Argoron*.
- A manga set within the world of *Dark Titan's The Sacred Swords* is in the works. Taking part of the IP's transmedia project.
- Graphic novels set in the worlds of *Dark Titan's Vigils* and *Behind The Dragon's Door* are in the works. Each will take part in the IP's transmedia projects.
- A sci-fi graphic novel titled *Zero Year* is in the works set within the world of *Dark Titan's Silent Skies*.

- Future lorebooks/artbooks include the *Dark Titan Universe Encyclopedia*, *The Haunted City Bestiary*, *The World of Symbolum Venatores*, and *Frightened!: The Guide to Monsters and Legends*.
- Book releases will remain within the Spring and Fall/Winter months.

### **Dark Titan Shop**

- The online store will be expanding its rebranded state as merchandise will be focused only on primary IPs such as the *Dark Titan Universe*, *The Haunted City*, *EverWar Universe*, and *Symbolum Venatores*.

### **Dark Titan Collectibles**

- Ongoing developments are in the works to find suitable licensees to develop collectible statues based on the characters within *The Universe of Realms*.
- *Dark Titan's The Sacred Swords*, *Dark Titan's Vigils*, and *Behind The Dragon's Door* will have action figures, statues, and miniatures lines in the coming years under the transmedia project label, *Trinal Epics*.

### **Dark Titan Imaginations**

- The *Travis Vail Spirit-Seeker Haunted House* attraction is still in pre-development. More LBEs (**Location-Based Entertainment**) are in the works.

### **Halevior Sound**

- *Dark Titan's Deus Natus* will be the first *Halevior Sound Original* audio-series. Currently in development for five episodes.
